# Principal's Page - Maguire's Message

Dear CCS Community,

What an extraordinary time it is to be part of the Cornwall Consolidated School family! We have so much incredible news to share from this past week, along with some very important updates for the week ahead.

## **CCS Named 2025–2026 Outstanding School!**

We are absolutely thrilled to share that Cornwall Consolidated School has been selected as the 2025–2026 Outstanding School by the Connecticut Democracy Center, the Connecticut State Department of Education, and the Office of the Secretary of the State as part of the Red, White & Blue Schools program!

This prestigious honor recognizes our students' exceptional commitment to civic learning, historical preservation, and community advocacy through their powerful work surrounding Robin Starr's story. Through deep research, collaboration with local leaders and historians, and persistent advocacy efforts, our students truly demonstrated how young people can create meaningful change within their communities.

We are incredibly proud of our students, staff, and community for their dedication to civic engagement and for bringing history, justice, and remembrance to life in such meaningful ways. Congratulations to everyone involved in this outstanding achievement!

## **Last Week's Highlights Around Campus**

**Chirping with Joy:** We have had so much fun visiting our newly hatched chicks all week long! We love hearing their peeps and watching them grow. A huge thank you to our Superintendent for providing us with this wonderful experience.

**8th Grade DC Trip:** Our 8th graders had a truly wonderful and memorable time exploring Washington, D.C. last week!

**7th Grade Explorations:** Our 7th graders enjoyed the great outdoors as they explored the Audubon and the Housatonic River.

**3rd & 4th Grade Nature's Classroom:** Students spent a hot, fun-filled day right here on campus with Nature's Classroom on Wheels! We extend a massive thank you to the CCSFE for making this fantastic program possible for our students.

## **The Week Ahead: What's to Come**

**Monday, May 25th – Memorial Day (No School):** A time for remembrance and gratitude.

**Please Note:** Due to the weather forecast, the Cornwall Memorial Day ceremony and special 250th celebrations have been moved to the CCS Gymnasium at 11:00 AM. Our poppies are planted and the flags are out, and we look forward to seeing you all there!

## The Week Ahead: What's to Come

Monday, May 25th – Memorial Day (No School): A time for remembrance and gratitude.

Please Note: Due to the weather forecast, the Cornwall Memorial Day ceremony and special 250th celebrations have been moved to the CCS Gymnasium at 11:00 AM. Our poppies are planted and the flags are out, and we look forward to seeing you all there!

Tuesday, May 26th: We will honor Memorial Day at CCS with a special in-school program.

Thursday, May 28th (5:00 PM): There will be a Class of 2027 8th Grade Fundraising Meeting held in the Gathering Room. We hope to see our rising 8th-grade parents there!

Friday, May 29th: Grades 5 and 6 will head out to the Welles Preserve for their Forestry Field Experience field trip.

Wishing you all a beautiful, safe, and happy Memorial Day!

Best always,

Leanne

## Red White & Blue Award for Most Outstanding School!

### OUTSTANDING SCHOOL

#### Cornwall Consolidated School, Cornwall

Congratulations to Cornwall Consolidated School for their recognized project honoring Robin Starr. Eleven 7th graders spent the school year researching and advocating for a Revolutionary War veteran who was born in Guinea, Africa, enslaved in Danbury, served six years in the Continental Army, purchased his own freedom, and settled in Cornwall—where he was buried without a gravestone and largely forgotten. Students visited Calhoun Cemetery, examined the cellar holes believed to be the Starr family homesite, and combed through census records, military muster rolls, land records, and Historical Society archives to confirm Robin Starr's connections to Cornwall. Armed with that research, they attended Cornwall's 250 Committee meetings, contacted town officials and their state representative, and successfully advocated for a gravestone for Robin and his family, a memorial on the town green, an official Robin Starr Day proclaimed by the Selectmen, and a Connecticut General Assembly citation recognizing his legacy statewide. Students also built a scale model of the Swift's Bridge area, designed informational displays, and secured Guinea Town's inclusion on the Connecticut Freedom Trail—work that will be featured in the Cornwall Historical Society's sesquicentennial exhibit.

**Thank YOU!**

# **Thank you from the 8<sup>th</sup> Grade Class**

The 8th grade class would like to extend a heartfelt thank you to everyone who supported our Washington, D.C. trip through donations and fundraising. Because of your generosity, we were able to have an unforgettable experience filled with learning, new memories, and special moments together. We are so grateful for your kindness and support in helping make this trip possible.

**Thank you for investing in us!**

**With Appreciation,**

**The 8<sup>th</sup> Grade Class & Advisors** ❤️

# Technology Use Expectations

## TECHNOLOGY USE EXPECTATIONS

### WHAT ARE SCHOOL CHROMEBOOKS AND GOOGLE ACCOUNTS USED FOR?

School assignments such as:

- Accessing Google classroom
- Completing class assignments using Google docs/slides
- Accessing websites using links provided by teachers for school assignments (Duolingo, Desmos, Khan Academy, Gale, Britannica, Quaver, Canva, etc.)
- Using your email to communicate with your teachers or classmates related to school assignments

### WHAT ARE SCHOOL CHROMEBOOKS AND GOOGLE ACCOUNTS NOT USED FOR?

Personal use such as:

- Watching videos or listening to music on YouTube
- Searching for images/information not related to a school assignment
- Creating Google docs/slides that are not shared with a teacher
- Playing online games
- Using Google docs or email for personal communication unrelated to school

THIS APPLIES BOTH DURING SCHOOL AND OUTSIDE OF SCHOOL

You should be sure to...

- Use your Chromebook appropriately at all times
- Work only on assignments in class when directed by a teacher
- Close tabs you are not currently using
- Not change any settings on your Chromebook
- Report anything you come across online that you feel is unsafe or inappropriate
