# Principal's Page - Maguire's Message

Dear CCS Community,

It is hard to believe we are already moving into the month of May! Reflecting on the vibrant energy of last week, I am reminded once again of why we have the best community. From honoring our planet to celebrating our staff, it was a week filled with heart.

## **Troutbeck Symposium Success**

Our 7th graders represented us with incredible poise and intellect at the Troutbeck Symposium last week. They showcased the immense hard work and dedication they have poured into researching Robin Starr, bringing his vital story and life to light for a wider audience.

We are so proud of their collaboration and teamwork in tackling such important historical research. A "super thanks" goes to Mr. Vincent for his guidance and mentorship throughout this project!

## **Looking Back: Earth Day & Arbor Day**

We had a spectacular week celebrating our environment. Our Arbor Day Celebration was a beautiful culmination of learning and community spirit. A huge thank you to Mr. Markow, Mrs. Munson, and our student leaders who facilitated educational stations for the entire school prior to our planting ceremony. This year, our tree was dedicated to Mr. Phil Hart, a longtime friend of CCS who has shared his passion for nature with us for many years. We planted his favorite, a Sycamore! We also share our gratitude with Mr. Bennett for always sharing his time and expertise to make our Arbor Day traditions so meaningful.

## **Community Joy**

On Friday afternoon, our staff gathered to celebrate Mrs. Byrne with a baby shower! We are so excited for her and cannot wait to meet the newest member of our school family. Congratulations, Mrs. Byrne!

# Principal's Page - Maguire's Message

## The Week Ahead: State Assessments

Starting this week, students in grades 3–8 will begin their state assessments. Our first focus is English Language Arts (ELA), which will take place this Tuesday and Wednesday. We are so excited for our students to show off how much they have grown this year! To help them perform their best, we ask families to ensure students:

- ★ Are well-rested with a good night's sleep.
- ★ Have eaten a healthy breakfast to fuel their brains.
- ★ Arrive at school on time, as testing begins promptly.

## Welcome, Incoming Kindergarteners!

This Thursday, we begin our Kindergarten Screenings for the 2026–2027 school year! We are thrilled to begin meeting our newest students and their families as they prepare to join the CCS den.

It has been a wonderful week, and I am confident the one ahead will be just as awesome. Thank you for your continued support and partnership.

Best always,

Leanne
