Dear Parents/Guardians,

Welcome to the kindergarten class at Cornwall Consolidated School for the 2022-2023 school year. As mothers ourselves, we know that children's school time does fly by even though it seems so far away. Enjoy every moment and remember that when things get stressful. Raising children is such a blessing and there is no better place than Cornwall!

So to kick off your child's kindergarten year, **we would like to invite you to an orientation program for incoming kindergarten students and their parents to be held at the school on Wednesday, August 24th. The program will begin at 5:00 PM and should end by 6:15 PM.**

We will have everyone meet in the classroom with Ms Candy. She will give a brief introduction and then she will meet with parents to provide some general information about the kindergarten program and answer any questions you may have. The children will watch a short video on bus safety and then take a brief bus ride followed by a quick tour of the building and playground. Most importantly, we see this orientation as an opportunity for your children to get to know the school, classroom, future classmates and teachers so that they are as comfortable as possible for the first day of school. Some introduction to classroom routines will be provided as well. This visit will hopefully help reduce the natural feelings of anxiety that precede the beginning of school for both you and your child!

We hope as many of you as possible will be able to come. If you are unable to attend due to work or vacation schedules but would still like an opportunity to visit school before it officially begins on Monday, August 29th, please call the school office at 860 672-6617, or email Candy at ccarlson@cornwallschool.org and Mary Kay at mravenola@cornwallschool.org and we will be happy to set up a time to meet you and your child. Lastly, please do not hesitate to call or email with any questions or concerns. Enjoy your last weeks of summer. We look forward to seeing you soon.

Best,

*Mary Kay Ravenola , Principal
