Fri, April 11	Softball AWAY vs Indian Mountain School (211 Indian Mountain Rd, Lakeville) 4:00 No other practices or activities Spring Break Commences! Enjoy your time off!

Principal's Page - Maguire's Message

Hello CCS Community!

We had a *fun-filled* and *super busy* week last week, and I'm excited to share all the wonderful moments we experienced together!

We kicked off the week with a CCS Team-building event where students worked together to create team flags, team names, and kindness placemats, which they will donate to Park & Rec for use at community gatherings. It was heartwarming to see our students come together for such a thoughtful and creative cause.

Our eighth graders had an exciting Spanish-language learning opportunity during a field trip to Picantes Restaurant in North Canaan. They practiced their Spanish-speaking skills, and it was a memorable experience for all involved. We partner with the 8th grade students from Lee Kellogg School for this fun and yummy learning experience each year. I'm proud to share that our waiter was especially impressed by their enthusiasm and language skills!

On Tuesday, our first and second graders had the chance to attend a performance at the Warner Theater. They represented our school so wonderfully, and I received a message letting me know how great they were. As always, I have my eyes everywhere—*so proud* of them!

We took time to celebrate our trimester 2 perfect attendance students with a special breakfast on the stage. The breakfast, titled "Under the Sea," featured *Little Mermaid Jr.* props and black light uplighting, making it a magical start to their day. It was a wonderful way to honor their dedication and commitment to school.

On Wednesday, we celebrated our incredible paraprofessionals—Miss Munson, Mrs. Munson, Mrs. Collins, and Mrs. Sawicki—for *Paraprofessional Appreciation Day*. These wonderful individuals work tirelessly to support our students, and we are so thankful for everything they do. We also took the time to honor our Board of Education members as March came to a close. A huge thank you to Iris Hermann, Rachel Matsudaira, Hugh Cheney, Emilie Pryor, Dean Saccardi, and Martha Bruehl for their unwavering dedication and support of our school community.

We had an unforgettable moment on Thursday when we got to see *Tater Tot*, our adopted harp seal, make his way back home to the wild. It was such a fun experience for the entire school, and we were able to watch his release live! We are deeply grateful to the New York Marine Rescue Center for allowing us to adopt and name Tater Tot. We will always cherish this school-wide event.

Friday was National Librarians Day, and we celebrated our fantastic library media specialist, Miss Pramuka! We are so thankful for her hard work and passion in making our library such a vibrant learning space for all our students.

Looking ahead, this week promises even more fun and learning as we head into the final week before Spring Vacation. Just a reminder that Spring Break is coming up next week from Monday, April 14th through Friday, April 18th. We'll see everyone back on Monday, April 21st! I hope you enjoy your time with family and friends.

Wishing you all a fantastic week ahead!

Best Always, Leanne

Celebrate Poetry Week!

CCS

POETRY

Week

*April
7th-
12th!*

Monday

Tuesday

Wednesday

Thursday

Friday

4th grade poets will share their poems throughout the day over the intercom!

Bring your flashlight to join us in flashlight stop, drop, and read throughout the day

Carry around a poem in your pocket and share it with anyone who asks!

Create acrostic poems in your class to share with your class reader tomorrow

Community readers will come to our classes to share their favorite poems with us!

Kindergarten Registration!

Cornwall Consolidated School

KINDERGARTEN REGISTRATION

Was your child born in the year **2020** between **September 1, 2019 and August 31, 2020**? It's time to start thinking about kindergarten registration!

Please bring
birth certificate,
record of current
immunizations,
and proof of
residency with
you on the day
of screening

Cornwall Consolidated School

Kindergarten Registration will be on **April 29th and April 30th** (for children born between September 1, 2019 and August 31, 2020)

Please contact Patty Rovezzi so we can include your family in this exciting new chapter in your young persons life!

(860) 672- 6617

provezzi@cornwallschool.org

*In response to CT Legislation, Public Act 23-208, Section 1, children must turn five before September 1st to be **eligible** to enroll in Kindergarten. **Cornwall Consolidated School will NOT have an Early Kindergarten program this year for children born after September 1, 2020**

Technology Use Expectations

TECHNOLOGY USE EXPECTATIONS

WHAT ARE SCHOOL CHROMEBOOKS AND GOOGLE ACCOUNTS USED FOR?

School assignments such as:

- Accessing Google classroom
- Completing class assignments using Google docs/slides
- Accessing websites using links provided by teachers for school assignments (Duolingo, Desmos, Khan Academy, Gale, Britannica, Quaver, Canva, etc.)
- Using your email to communicate with your teachers or classmates related to school assignments

WHAT ARE SCHOOL CHROMEBOOKS AND GOOGLE ACCOUNTS NOT USED FOR?

Personal use such as:

- Watching videos or listening to music on YouTube
- Searching for images/information not related to a school assignment
- Creating Google docs/slides that are not shared with a teacher
- Playing online games
- Using Google docs or email for personal communication unrelated to school

THIS APPLIES BOTH DURING SCHOOL AND OUTSIDE OF SCHOOL

You should be sure to...

- Use your Chromebook appropriately at all times
- Work only on assignments in class when directed by a teacher
- Close tabs you are not currently using
- Not change any settings on your Chromebook
- Report anything you come across online that you feel is unsafe or inappropriate

BALANCING PROFITS & PURPOSE

At Healthy Kids, we are passionate about doing what's right for our children, our families, our employees, and our communities. We support families from all different backgrounds with reliable, affordable, and accessible programming. We strive to make a lasting impact on each of our kid's lives. We are reinventing childcare positions for our employees with benefits and career paths. We partner with school districts in a variety of ways to meet the needs of their families and build communities...not just profits.

TUITION ASSISTANCE

We are pleased to announce that we accept tuition assistance, ensuring we can better meet the diverse needs of families in our community. Learn more on the back!

Healthy Kids Tuition Information!

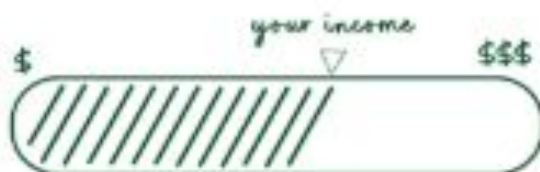

TUITION ASSISTANCE

Connecticut families are now eligible to access reduced childcare costs through the Care 4 Kids program. This program helps eligible families to pay for child care so parents can work, go to school, or participate in a job training program. The program is a partnership between the State of Connecticut, the families in the program, and the providers who take care of the children.

Think you don't qualify - think again.

HOW TO QUALIFY

To participate in the program, families must reside in CT, be working or attending a temporary family cash assistance (Jobs First) approved education/training activity; GED/high school equivalency, or be enrolled in undergraduate studies (associate's or bachelor's degree); and meet the program's income requirements.

Scan the QR code to see if you may be eligible!

HOW TO APPLY

- 1**  Submit an tuition assistance application online
- 2** Complete the registration process for our program at healthykidsprograms.com
- 3** Once you apply for assistance, submit proof of application to ctsubsidy@healthykidsprograms.com
- 4** Get your child started in our program while you wait for your approval and enjoy no out-of-pocket tuition costs!

No out-of-pocket tuition while you are in the process of applying!

Questions, need support?

Arethusa Farm 4-H Camp

A partnership of the
Arethusa Farm Foundation
& Litchfield County 4-H

Litchfield County UConn 4-H is proud to announce their partnership with the Arethusa Farm Foundation to provide local youth **ages 5 to 13** as of January 1, 2025 with a variety of Agriculture Summer Camp experiences during the summer of 2025. A common goal of both organizations is to increase agricultural literacy among local youth so they understand the importance of agriculture, farming, local food and the environment.

Our 2025 Agriculture Summer Camp experience is a state-approved day camp run by professional educators and 4-H youth leaders with support of the Arethusa Farm Foundation sharing their extensive farm property with Litchfield County 4-H for this unique opportunity for learning.

What is 4-H?

UConn 4-H is the youth development program of UConn Extension. As part of the University of Connecticut, 4-H has access to research-based, age-appropriate information needed to help youth reach their full potential. The mission of 4-H is to assist all youth ages 5-18 in acquiring knowledge, developing leadership and life skills while forming mindsets that will enable them to become self-directing, productive and contributing members of their families and communities.

Arethusa Farm Foundation

The Arethusa Farm Foundation is a newly established not-for-profit 501(c)3 entity created to receive from Mr. Anthony Yurgaitis the gift of a portion of the premises of Arethusa Farm which he and his late partner, George Malkemus, previously operated as a high-quality dairy farm. The Foundation's primary goal is to establish an agricultural education center for elementary, middle and high school students, 4-H members and to the wider community as a whole.

Arethusa Farm 4-H Discovery Camps

\$400 for non 4-H members, \$360 for 4-H members

- June 16 to June 20
- June 23 to June 27
- June 30 to July 3 (\$320) *only four days, no camp July 4th, (4-H member discount price \$288)
- July 7 to July 11
- July 14 to July 18
- July 21 to July 25

(NOTE: Discovery camps are the same curriculum each week)

Monday

Environmental Science Day

Campers will explore topics of forestry, wildlife, the science of insects and renewable energy with activities that may include water testing, exploring wildlife natural environments and tree identification.

Tuesday

Plants, Horticulture & Bees Day

Campers will explore topics including plants, horticulture & the science of bees through activities that may include hands-on gardening, watering, harvesting and understanding the production of honey.

Wednesday

Farm Animal Science Day

Campers will learn about dairy science, animal nutrition and farm animals through activities that may include meeting and handling different animals and creating animal crafts.

Thursday

Agricultural Mechanics Day

Campers will learn about safety, tool ID, hands-on skills & machinery overview with activities that may include building birdhouses, project planning and other hands-on activities.

Friday

Veterinary Science & Small Animals Day

Campers will learn about veterinary science tools, cat and dog health, and other small animals through activities that may include dog grooming and handling, vet tool identification and working with rabbits.

Vet Science Camp

(same camp each week)

July 28 to August 1
August 11 to August 15

Do you love animals? If you love animals or think about a career in veterinary medicine. This camp is for you! Hands-on interactions with farm animals and pets, both large and small, create a unique learning experience as students are introduced to the amazing world of animal science. Campers will learn about the skills used in real-world veterinary medicine for a fun, interactive, and educational experience. Cows, goats, sheep, pigs, rabbits, chickens, and horses are just some of the animals that you'll be introduced to, as you learn about anatomy, safe handling during examinations, identifying disease, treatments, and illness prevention. Immerse yourself in a veterinarian's daily rounds, as we cover nutrition, dentistry, and practice emergency response treatments. You can even learn to suture! Discover what a day in a veterinarian's life might entail as professional guest speakers visit our classes to share their experiences, along with the fundamental concepts and current issues in veterinary medicine. Enjoy this incredible enrichment opportunity to increase your knowledge in keeping animals healthy and happy as you explore a possible veterinary career and a life filled with animals!

Note about age range: We will divide students into groups 5-6 year olds, 7-9 year olds and 10-13 year olds for age appropriate curriculum

Farm Camp

(same camp each week)

August 4 to August 8
August 18 to August 22

Would you like to expand your knowledge about farm animals? Plan on getting your hands dirty caring for our farm animals and working around the farm. Learn facts and fiction about the many breeds of animals found in farming operations. But it's not all work and no play! A new discovery is waiting to happen surrounded by baby animals. The lambs, kids, foal, piglets, calf or kits all inspire the learning as we dive into the rhythm of farm life. This hands-on experience helps campers to understand that each animal has unique characteristics, eating habits, health requirements and seasonal needs to keep them safe and happy. Explore poultry power collecting eggs or watch chicks hatch and grow from eggs to legs. Dig a little deeper to cultivate a stronger appreciation for sustainable farming in our educational gardens filled with honeybees and pollinators. Build an understanding of how vital their role is in producing food that feeds us all. Soak up the sun, make new friends, replace screen time with fresh air and get ready for an unforgettable agriculture adventure!

Note about age range: We will divide students into groups 5-6 year olds, 7-9 year olds and 10-13 year olds for age appropriate curriculum

Hotchkiss' website now includes a [community event page](#) so families can find all community programs there. It is updated as new events are added which is generally weekly. Registration for all programs can be done on the website, too.

Grade 8 Spanish Students to Picantes!

Grades 1 & 2 at the Warner Theater

Trimester 2 Perfect Attendance Breakfast!

Tater Tots Release! Thank you, NYMRC!

Hello CCS Community!

We had an amazing experience today thanks to Wendy McFarlane (Ben Young's mom) and the New York Marine Rescue Center! Thank you so much for making this happen!

We got to see Tater Tot, our adopted Harp Seal released back into the ocean! You could tell how happy he was as he rolled in the surf before making his way through the waves!

Please enjoy watching and rewatching! Here is the link and be sure to use the password to get in!

<https://us06web.zoom.us/rec/share/TU43fVK-wN5HLeXCUEHNcpu1GU92cjH5pzgTIiy6eEu4F-c1zeMRE3aHi6NGPXcJ.9cc2MvZCw4WdMfQg>

Passcode: ^59X2jjD

This all was made possible this year following our walk-a-thon and the selection of the NYMRC as our donation location! When we do great things, great things come back to us!

Please start thinking about charities and organizations that we could consider for our next walk-a-thon! If you have any suggestions, please fill out this form: [CCS Walk-a-thon 2025](#)

Thanks and enjoy,
Leanne
