Principal's Page - Maguire's Message

Dear CCS Community,

Even the rain couldn't keep our smiles away last week! We are all holding out hope for more consistent spring weather in our future, especially as we approach our Spring Break, which will take place from April 13th through April 17th.

This past week was filled with wonderful highlights, including celebrating our incredible paraeducators for Paraeducator Appreciation Week. We also want to share a huge thank you to everyone who contributed to our read-a-thon; we are currently tallying the results and will announce the final total raised in support of Miles and Smiles for Hadley later this week. Way to go, readers!

Additionally, we were thrilled to welcome five HVRHS seniors: Everet, Mia, Henry, Simon, and Joey, back to our halls on Wednesday. As CCS graduates, it was a joy to have them helping out all over our school. Our students also continue to wow us with their creativity, from writing digital books to using coding and digital sensors to bring their Lego creations to life.

Looking ahead, this week is all about the power of words as we celebrate Poetry Week! We have several special focus days planned to engage our students with poetry, culminating in an extra fun-filled Friday. On that day, we will welcome guest readers into our classrooms, celebrate our Trimester 2 perfect attendance breakfast, and participate in our very first school-wide buddy program organized by our middle school student advisory council. It is going to be a fantastic day to lead us into the break!

Please don't forget to join us this Thursday evening for a free screening of Screenagers at the Canaan Colonial Theatre from 6:30–8:30 PM. This is such an important topic for both educators and parents, so please fill out the registration form to let us know you will be attending.

Finally, I encourage all parents to check out this slide deck: [Restorative Practices Presentation](#) to learn more about Restorative Practices and to watch this video short: [Restorative Practices Video-Short](#) featuring Superintendent Shanley and me discussing how these practices support our school community.

Best always,

Leanne

VOICES
count

In May - June 2025, youth in Region 1 schools grades 7- 8 participated in the Youth Voices Count survey. **The survey is voluntary, anonymous, and confidential.**

The response rate was 74%. Select results are summarized here; a full report is available on ncpncoalition.org.

Connection to Community

Middle school students are most likely to seek help from their parents (59%) and their friends (49%).

More than 97% of middle school youth reported having at least one **trusted adult** they can share with, and that they feel safe in their **community** and at **school**.

Social Media and Gaming

More than half (54%) report feeling more connected with others through online gaming.

19% report not getting enough sleep as a result of online gaming.

59% report feeling more connected with others as a result of social media.

Almost 1 in 3 have a hard time stopping when on social media.
